Your Montana Story Starts Here

At 508 S Walnut Street, life slows down just enough for you to savor it. Picture yourself on the wide front porch with your morning coffee, the quiet hum of a small town waking up around you. Step inside to a home thatâ€™s not just cozyâ€”itâ€™s beautiful. With a bright, welcoming layout, 3 bedrooms, 1 bath, and 1,120 sq ft of living space, every corner feels warm and inviting. Inside photos coming soonâ€”and trust me, youâ€™ll love what you see.

But itâ€™s the outdoors that takes this property to the next level. On a generous 12,000 sq ft lot, youâ€™ll find shady mature trees, a private retreat with room to play, and a gardenerâ€™s dream. Imagine tending plants in your own greenhouse or projects in the garden shed.

The updatesâ€”new appliances, new windows, and a large jetted tubâ€”make everyday living easy. The location, just blocks from schools, parks, and conveniences, makes life simple. And the vibe? Pure Montanaâ€”space, serenity, and small-town charm.
