3 Bedroom, 2.00 Bathroom, 2,417 sqft

Residential on 0.47 Acres

N/A, Florence, MT

This 3-bedroom, 2-bath home offers 2,417 sqft of functional living. At the center of the home is a kitchen built to impress with custom oak cabinetry, granite countertops, a large island, walk-in pantry, double wall ovens, gas cooktop & a french door refrigerator. Durable LVP floors flow throughout the main living areas, creating a clean, cohesive look. The living room features built-ins, floating shelves & a gas fireplace making it a cozy gathering spot. The primary suite includes a soaking tub, walk-in shower, dual vanities & a large closet. Upstairs, the finished space above the garage provides a family room & an additional bonus room which is perfect for a home office, media room or guest space. Other highlights include central A/C, on-demand water heater, and a 3-car insulated garage with plenty of storage space. Outdoors, a covered patio with hot tub hookup & underground sprinklers make entertaining easy, while extra paved parking with a 30 AMP plug is ideal for an RV or toys. Every detail has been well-maintained, combining high-quality finishes, functional spaces, and modern features for a home that's ready to enjoy.
