3 Bedroom, 2.00 Bathroom, 1,340 sqft

Residential on 0.16 Acres

N/A, Hot Springs, MT

This newly built single level home sits on the quiet edge of Hot Springs Montana within walking distance to the historic Symes Hot Springs Hotel & Mineral Pools, Main Street shops and dining, and both the elementary and high school. Inside you will find vaulted ceilings, a spacious kitchen with a center island and quality finishes throughout. The primary suite includes a walk in closet and private bath while two additional bedrooms offer space for guests or a home office. The home also features an attached garage, laundry and mudroom and efficient forced air heating and cooling for year round comfort. Outside you can enjoy a large fenced backyard and a back patio ideal for relaxing or entertaining. Hot Springs provides excellent access to outdoor recreation with the Flathead River and Flathead Lake nearby, thousands of acres of state and federal land and multiple reservoirs close by for fishing or kayaking. Priced as one of the most affordable new homes in Northwest Montana, this property combines comfort, value and a great location.
