N/A, Corvallis, MT

Space, views, and peace of mind - all in one. This Corvallis home sits near the end of a quiet no outlet road with protected mountain views from surrounding conservation easements. Over 3,400 square feet gives you room to breathe with three bedrooms, three bathrooms, an office, plus an oversized bonus/hobby room. The detached shop is set up as a home gym but easily fits projects or toys. A high-producing well (30 gpm) plus separate water rights for irrigation make yard care simple. Mature trees, a fenced garden, and lush landscaping frame the home beautifully. Everything here feels established and ready. Thoughtful covenants keep the neighborhood looking great, and a low VA interest rate could be assumable for qualified buyers. Itâ€™s the kind of home that feels right the moment you arrive. Make it yours!
