Cute 3-bedroom 2 bath home in Happy Valley with lots of new upgrades and a detached shop/garage. This clean home sits on a .49-acre lot located between Whitefish and Kalispell Montana. Main floor has a nicely upgraded kitchen with 2 bedrooms and a nice full bathroom. The entire upstairs is a large full suite with oversized walk-in closet, beautiful, updated bathroom and nice sitting/reading area. There is radiant floor heat on the main level and on demand hot water, so you never run out. The property is fenced with a nice newer deck, and it has a large storage shed with access from the front and back of the house. The detached garage/shop is large with some built in cabinets and lots of wood storage with the covered area outside. The exterior of both buildings looks great and are in excellent condition.
