2 Bedroom, 1.00 Bathroom, 1,064 sqft

Residential on 0.14 Acres

N/A, Butte, MT

This classic Butte bungalow has the kind of solid structure that makes updates worth doing. The layout flows easily from a bright living room with large front windows to a dining area framed by arched doorways and original hardwood floors. The kitchen and bath show their age but hold good space and natural light—perfect for the next owner to refresh without starting over. Two bedrooms sit quietly off the main hall, each with wood floors and windows to keep the home warm and bright. Outside, the property has a detached double garage with alley access. There’s off-street parking on the 6011 sf lot and plenty of room for garden beds or patio space. Homes in this area rarely combine this lot size, detached garage, and central location at this price point. The value here is clear: classic bones, livable now, priced to invite updates that make it shine again. House is being sold in as is condition.
