Residential on 14.45 Acres

N/A, Stevensville, MT

Welcome to 652 Pathfinder Road S! This fantastic home is pure Montana—comfortable living on 14.45 acres, outdoor entertainment space, multiple outbuildings, and views that could easily rank your property on a Bitterroot top 5 list of where to drink your morning coffee.

Step inside. Those breathtaking views obviously weren't left behind. The vaulted ceilings and windows fill your living space with natural light perfectly, highlighting the exact reason you fell in love with this property in the first place. Now look around the well laid out 1,960 sq ft, 3-bedroom, 2-bathroom home. You'll notice a cozy fireplace as well as numerous recently completed updates, such as a new roof, deck, floors, water heater, and central heating/cooling system (full list available on request). Because who doesn't appreciate the peace of mind that newer infrastructure provides? The oversized primary bedroom is another fun surprise. In other words—put the tape measure away because you already know that king size bed frame fits. The only question is whether you'll recreate the comfy seating area or put your own spin on this spectacular space. Whatever you decide—it's going to pair perfectly with the sliding door access your patio hot tub because there are many stargazing nights ahead.

Leave time to explore the rest of the property. There is a new fence, frost-free spigot, and

1,200 sq ft shop with two 10x10 roll-up doors along with a smaller storage shed. Take this as a sign to start a project or pick up a hobby, if you don't have one already. This isn't a property that you want to miss!
