\$837,000

2 Bedroom, 2.00 Bathroom, 3,106 sqft

Residential on 10.00 Acres

N/A, St Ignatius, MT

Private 10-acre property in the heart of the Mission Valley, surrounded by Tribal land for added privacy and sweeping views. Open floorplan features engineered hardwood and slate flooring, vaulted ceilings with exposed beams, hickory cabinetry, and radiant in-floor heat throughout the lower level, garage, and bonus room. The kitchen's open-concept layout with granite counters and a custom 5 x 8 island makes it the perfect gathering place while staying connected to the living area. Upstairs, the primary suite offers a great room, clawfoot soaking tub, tiled shower, and two decks, one with stunning Mission Mountain views and the other ideal for watching wildlife along the west side of the property. The interior is ADA accessible with wide doors and zero-level entry, plus an electric chair lift that stays. The bonus room includes both interior and exterior entry, ideal for a studio, guest space, or home office. Outside features a fenced garden, fruit trees, and a powered 10 x 20 shed. With McDonald Lake right up the road and just over an hour to Missoula or Kalispell airports, this home captures true Montana living.
