Residential on 0.23 Acres

N/A, Missoula, MT

Welcome to the excellent 3 bedroom, 2 bath home built by, and belonging to, Pleasant View's Project Manager. He picked a corner Lot, next to Dick Hexter Park, to build his personal residence. Special attention was given to this home, evidenced by the heated and extended garage, as well as the decorative scrolled spandrels throughout the exterior. He installed central air conditioning, underground sprinklers, and fenced the backyard. A new furnace was installed last year and a new refrigerator two years ago. This past month the interior was painted, the exterior was cleaned by Gunk Go Exterior Wash, Pierce installed new LVP on the main level, a new dishwasher was installed in kitchen, and new exterior lighting is being installed this week. The covered front porch is ideal for watching a Sunset or enjoying the neighborhood. The large back patio is perfect for BBQ's, entertaining, or blissful relaxation. Make time to see this home, as you won't be disappointed. It is the responsibility of the buyers and their agents to verify all info regarding this property.
