MISSION: Provide attainable homeownership opportunities for local Missoulians and those relocating for work who are currently priced out of the Missoula market. West End Farms:

Developed by Missoulians, for Missoulians.

Our community features homes priced using "building cost + markup" rather than market value, with fixed pricing and no bidding wars.

We maintain a waitlist, with priority given to those on it. A two-year owner occupancy requirement promotes neighborhood stability and strengthens community ties. Quality construction and meticulously designed floor plans maximize livable space with 9' ceilings, oversized windows for abundant natural light, concrete porches, and insulated concrete foundations. Rear alley access provides ample parking for vehicles and recreational equipment. WEF is adjacent to a future 28-acre master-planned public park and Hellgate Elementary School. Photos are of similar homes. Doing a drive-by is easy but if you want a tour of the site or view a home, please schedule an appointment.
