Escape the Ordinary - Embrace Montana Living! NO COVENANTS, NO HOA, Scenic Cooridor Zoning! Nestled in a scenic setting with stunning mountain views and minutes from McGregor Lake™'s shores, this beautifully crafted 5-bedroom, 4.5-bathroom home offers 3,200 square feet of finished living space, plus a 512 square foot studio apartment above the garage and an additional 385 square feet of enclosed, dry storage space beneath the home—perfect for future expansion or extra storage. The main living area showcases high-end finishes including circle sawn wood flooring, custom railings, and vaulted ceilings. The kitchen is a showstopper with cherry wood cabinets, a custom granite island, knotty alder trim and doors, a custom hood and pantry door, double oven, gas range, dishwasher, laminate countertops, and a stunning copper farm sink. Large windows flood the space with natural light.

The spacious primary en suite features a walk-in closet, reclaimed barn wood accent wall, dual vanity with a custom knotty alder cabinet, natural stone shower, a separate water closet, and is roughed in for a luxurious soaker tub (under tile) .

The lower level includes four additional bedrooms, two full bathrooms with dual vanities and vintage mirrors, a second living room, custom-painted concrete floors with radiant floor heat, and both a utility room and multiple storage closets. A thoughtfully designed mudroom with custom built-ins leads

into the attached 3-car garage, which includes a utility sink and is roughed in for a gas heater. The studio apartment above the garage is partially finished with a completed 3/4 bath, additional 220 amp service, and rough-ins for a kitchenette—ideal for guests, rental income, or creative space.

Enjoy outdoor living on the large covered front and back decks overlooking a fully fenced yard with a chain-link fencing, platform treehouse, playground, and zip line. The back deck features tongue and groove ceilings, Trex decking and custom railings, overlooking stunning mountain views. The property also includes a shed, custom reclaimed wood siding from an Eastern Montana grain bin, central A/C, gas forced air, and a 500-gallon propane tank. High-efficiency insulated concrete form foundation construction offers durability and energy savings. With endless custom details and room to grow, this one-of-a-kind property is perfect to enjoy Montana living at its finest.
